# Why International Cooperation

- Global challenges: sustainable development, urbanisation, climate change, energy consumption...
- Innovative solutions developed in different regions;
- To learn from each other to maximise benefits from outcomes of scientific research.

# What do we do

- Collecting best practices
- Developing executive plans
- Developing recommendations for future cooperation
- Reviewing current policy and R&D trends
  
- Innovative showcases in Gothenburg, Chengdu, Rio/Sao Paulo and Singapore;
- Fora and workshops;
- Site visits
- Webinars;
- Conferences, papers, website and social media

# Some examples of best practices

	Network management	Deployment of clean vehicle	Public transport	Infrastructure	Urban logistics
Electric buses in Gothenburg, London & Hamburg		X	X		
Electric tricycles for delivery in Beijing		X			X
Property + Rail development for funding public transport in Hong Kong			X	X	
Integrated traffic management in Verona	X				
Electric vehicle charging facility in North-East England		X		X	
Flexible cycling lane in Sao Paulo				X	
Online freight market in Shanghai					X

# Some findings to share: Current development & policy

- Social media for transport services, e.g. ride-sharing & customised public transport;
- Big data;
- Electric vehicle and smart grid;
- Innovative public transport;
- Vehicle automation for safety;
- Transport solutions for aging society.

# Some findings to share: Current development & policy

- Internet of Things or Physical Internet;
- Big data & smart nation;
- Vehicle automation.

# Some findings to share: Current development & policy

- Model shift and behaviour change
- Urban logistics;
- Integrated ITS with existing systems;
- Financing public transport.

Brazil's economy officially slipped into recession

# Some findings to share: Current development & policy

- **Safety;**
- Transport to support growth and social exclusion
- Social media and traveller information;
- Encouraging use of public transport;
- Awareness raising for sustainable development.

# Thank you!
