

## Newsletter 6 – May 2016

The Viajeo Plus newsletters give you an update on the project activities. To learn more about the project please visit [www.viajeoplus.eu](http://www.viajeoplus.eu) or contact [y.li@mail.ertico.com](mailto:y.li@mail.ertico.com).

### Taking stock of 3 years of work within Viajeo PLUS

“As coordinator of this project, I would like to thank all the consortium members, external experts and all organisations that have been involved in the project’s activities” – says project coordinator Yanying Li.

“I truly believe that Viajeo Plus has made significant contributions to uptake of sustainable urban mobility worldwide by facilitating knowledge transferring and best practice dissemination and provision of implementation plans for selected solutions. I hope that we will continue our work and make city life more enjoyable and more sustainable.”
